Overview

Dr. Prathyush V is a distinguished Medical Oncologist with over 12 years of dedicated experience in the field of oncology. Based in Bangalore, he is currently associated with Apollo Cancer Centres in Electronic City, where he has made significant contributions to cancer care and treatment. Dr. Prathyush's extensive educational background includes an MBBS degree, followed by specialized training in Oncology and an MD in Radiation, complemented by a DNB from the National Board of Examinations. This robust academic foundation equips him with a comprehensive understanding of cancer treatment modalities, enabling him to provide the highest standard of care to his patients. Throughout his career, Dr. Prathyush has focused on a patient-centered approach, ensuring that each individual receives personalized treatment tailored to their unique needs. His clinical expertise encompasses a wide range of oncological conditions, and he is particularly skilled in the latest advancements in cancer therapies, including targeted treatments and immunotherapy. Dr. Prathyush believes in fostering a supportive environment where patients feel empowered to participate in their treatment decisions. He takes the time to explain complex medical information in an accessible manner, ensuring that patients and their families are well-informed and comfortable throughout their journey. At Apollo Cancer Centres, Dr. Prathyush collaborates with a multidisciplinary team of healthcare professionals, ensuring a holistic approach to cancer care. His

commitment to excellence and compassionate care has earned him the trust of many patients and their families. Dr. Prathyush is not only dedicated to treating cancer but also to educating patients about prevention and early detection, emphasizing the importance of regular screenings and healthy lifestyle choices. With his expertise and empathetic approach, Dr. Prathyush V continues to make a meaningful impact in the lives of those battling cancer, providing hope and healing in their most challenging times.
