Overview

Dr. Jagadish Prabhu is a highly esteemed orthopaedic surgeon with over 13 years of dedicated experience in the field. Based at Apollo Hospitals on Bannerghatta Road in Bangalore, he has built a reputation for excellence in patient care and surgical outcomes. Dr. Prabhu's extensive educational background includes prestigious qualifications such as the Fellowship of the Royal College of Surgeons in Trauma and Orthopaedics from Glasgow, UK, as well as an MBBS, MS in Orthopaedics, D. Ortho, and DNB in Orthopaedics. His commitment to continuous learning is further exemplified by his fellowships in Hand & Microvascular Surgery and Hand & Wrist Surgery, which equip him with advanced skills to address complex orthopaedic conditions. Dr. Prabhu's clinical focus encompasses a wide range of orthopaedic issues, with particular expertise in hand and wrist surgeries. He is passionate about employing the latest techniques and technologies to ensure optimal recovery for his patients. His approach to patient care is characterized by empathy and thorough communication, as he believes that understanding a patient's concerns and expectations is crucial for successful treatment. Dr. Prabhu takes the time to explain diagnoses and treatment options, empowering his patients to make informed decisions about their health. His dedication to providing personalized care has earned him the trust and respect of his patients and colleagues alike. At Apollo Hospitals, Dr. Jagadish Prabhu is an integral part of a multidisciplinary team

that prioritizes patient safety and comfort. The hospital's state-of-the-art facilities and commitment to high standards of care align perfectly with his professional ethos. Dr. Prabhu is not only focused on treating injuries and conditions but also on educating patients about preventive measures and rehabilitation strategies. His holistic approach ensures that patients receive comprehensive care tailored to their individual needs, making him a valuable asset to the Apollo Hospitals community and a trusted partner in their journey towards recovery.
