Overview

Dr. Samir Sahu is a highly esteemed Senior Consultant in Pulmonology and Critical Care at Apollo Hospitals, Bhubaneswar, bringing with him an impressive 44 years of experience in the medical field. His extensive career is marked by a deep commitment to patient care and a passion for advancing the field of respiratory medicine. Dr. Sahu's educational background is robust, holding an MBBS and an MD in Medicine, complemented by his Fellowship in Intensive Care Medicine (FICCM). This solid foundation has equipped him with the knowledge and skills necessary to tackle complex medical challenges, particularly in the areas of pulmonary diseases and critical care management. At Apollo Hospitals, Dr. Sahu is dedicated to providing comprehensive care to patients suffering from a wide range of respiratory conditions, including chronic obstructive pulmonary disease (COPD), asthma, and interstitial lung diseases, as well as managing critically ill patients in the intensive care unit. His approach to patient care is characterized by empathy, thoroughness, and a commitment to evidence-based practices. Dr. Sahu believes in fostering a collaborative environment where patients feel heard and involved in their treatment plans. He takes the time to explain diagnoses and treatment options, ensuring that patients and their families are well-informed and comfortable with the care they receive. Dr. Sahu's association with Apollo Hospitals, a leading healthcare institution known for its state-of-the-art facilities and patient-centered

approach, further enhances his ability to deliver exceptional care. His dedication to continuous learning and professional development ensures that he remains at the forefront of advancements in pulmonology and critical care. Patients under his care can expect not only expert medical treatment but also a compassionate approach that prioritizes their overall well-being. Dr. Samir Sahu is a trusted partner in health, committed to improving the lives of those he serves in Bhubaneswar and beyond.
