Overview

Dr. Vasudevan is a highly skilled dermatologist with over eight years of dedicated experience in the field of skin health and aesthetics. Based at Apollo Hospitals Tondiarpet in Chennai, he has built a reputation for his comprehensive approach to dermatological care, combining his extensive medical knowledge with a compassionate touch. Dr. Vasudevan earned his MBBS and MD degrees, equipping him with a solid foundation in both general medicine and specialized dermatology. His educational background, coupled with years of hands-on experience, allows him to effectively diagnose and treat a wide range of skin conditions, from common ailments like acne and eczema to more complex issues such as psoriasis and skin cancers. At Apollo Hospitals Tondiarpet, Dr. Vasudevan is committed to providing personalized care tailored to each patient's unique needs. He believes in fostering a warm and welcoming environment where patients feel comfortable discussing their concerns. His clinical focus extends beyond just treating skin conditions; he emphasizes the importance of preventive care and patient education. By empowering his patients with knowledge about their skin health, he helps them make informed decisions about their treatment options. Dr. Vasudevan's approach is characterized by thorough consultations, where he takes the time to listen to his patients and understand their individual circumstances, ensuring that they receive the most effective and appropriate care. As a valued member of the Apollo Hospitals team, Dr. Vasudevan is dedicated to upholding the hospital's commitment to excellence in healthcare. His association with one of Chennai's leading medical institutions allows him to access the latest advancements in dermatological treatments and technologies, ensuring that his patients benefit from cutting-edge care. Whether addressing cosmetic concerns or serious dermatological issues, Dr. Vasudevan's expertise and

compassionate approach make him a trusted partner in his patients' journey toward healthier skin.
