Overview

Dr. Jayapriya Ramas is a highly esteemed General and Laparoscopic Surgeon with over 20 years of dedicated experience in the medical field. Based in Chennai, she has built a reputation for her exceptional surgical skills and compassionate patient care. Dr. Ramas completed her MBBS and further specialized in General Surgery, earning her DNB (Gen Surg) qualification. Her commitment to excellence is evident in her advanced training, which includes prestigious credentials such as MRCS, FMAS, DMAS, and FRS. This extensive educational background equips her with a comprehensive understanding of complex surgical procedures and the latest advancements in medical technology. At Apollo First Med Hospitals Kilpauk, Dr. Ramas is not only a vital member of the surgical team but also a trusted partner in her patients' health journeys. She is known for her patient-centered approach, taking the time to listen to her patients' concerns and ensuring they are well-informed about their treatment options. Dr. Ramas specializes in a wide range of surgical procedures, particularly in laparoscopic techniques, which offer patients minimally invasive options with quicker recovery times. Her clinical focus extends to various conditions requiring surgical intervention, and she is dedicated to providing personalized care tailored to each patient's unique needs. Dr. Ramas's association with Apollo First Med Hospitals Kilpauk reflects her commitment to delivering high-quality healthcare in a supportive environment. She believes in fostering a

collaborative relationship with her patients, empowering them to take an active role in their health decisions. With her extensive experience, advanced qualifications, and compassionate approach, Dr. Jayapriya Ramas stands out as a leading figure in the field of surgery, dedicated to improving the lives of her patients and contributing to the community's overall well-being.
