Overview

Dr. Manoharan Nanda Kishore is a distinguished General Surgeon with over 15 years of extensive experience in the field of surgery. Based in Chennai, he is currently associated with Apollo Speciality Hospitals OMR, where he has earned a reputation for his exceptional surgical skills and compassionate patient care. Dr. Kishore's educational background is impressive, holding a Master of Surgery (MS) degree along with a Fellowship in Minimal Access Surgery (FIAGES). This solid foundation has equipped him with the knowledge and expertise to handle a wide range of surgical procedures, ensuring the highest standards of care for his patients. Throughout his career, Dr. Kishore has focused on various aspects of general surgery, including minimally invasive techniques that promote quicker recovery times and reduced postoperative discomfort. His commitment to staying abreast of the latest advancements in surgical practices allows him to provide innovative treatment options tailored to each patient's unique needs. Dr. Kishore believes in a holistic approach to patient care, emphasizing the importance of clear communication and understanding. He takes the time to listen to his patients, addressing their concerns and involving them in the decision-making process regarding their treatment plans. At Apollo Speciality Hospitals OMR, Dr. Kishore is part of a dedicated team of healthcare professionals who share his commitment to excellence. The hospital's state-of-the-art facilities and patient-centered philosophy align

perfectly with his approach to surgery, making it an ideal environment for delivering high-quality care. Dr. Kishore's patients appreciate his warm demeanor and unwavering dedication, which not only fosters trust but also enhances the overall patient experience. Whether performing complex surgeries or routine procedures, Dr. Manoharan Nanda Kishore remains steadfast in his mission to improve the health and well-being of those he serves.
