Overview

Dr. Arthi Narayanan is a highly skilled Surgical Oncologist with a decade of dedicated experience in the field of cancer treatment. Based at the prestigious Apollo Cancer Centre in Teynampet, Chennai, she has established herself as a compassionate and knowledgeable practitioner, committed to providing the highest standard of care to her patients. Dr. Narayanan's educational journey is marked by excellence; she earned her MBBS degree followed by DNB in General Surgery and DNB in Surgical Oncology, equipping her with a robust foundation and specialized expertise in managing complex oncological cases. Throughout her career, Dr. Narayanan has focused on a wide range of surgical interventions for various types of cancers, employing the latest techniques and technologies to ensure optimal outcomes for her patients. Her clinical interests include minimally invasive surgical procedures, which not only enhance recovery times but also improve the overall patient experience. Dr. Narayanan believes in a holistic approach to patient care, emphasizing the importance of understanding each patient's unique circumstances and needs. She takes the time to listen to her patients, ensuring they are well-informed and comfortable with their treatment plans, which fosters a trusting and supportive environment. As a valued member of the Apollo Cancer Centre team, Dr. Narayanan collaborates with a multidisciplinary group of healthcare professionals to provide comprehensive cancer care. Her commitment to continuous learning
