## Overview

Dr. Anjan Bhattacharya is a highly esteemed Developmental Paediatrician based in Kolkata, bringing over 32 years of dedicated experience to the field of child health. With a robust educational background that includes an MBBS, DCH, MRCP, and FRCPCH, Dr. Bhattacharya has honed his expertise in understanding the complex developmental needs of children. His extensive training and commitment to ongoing professional development ensure that he remains at the forefront of advancements in paediatric care, allowing him to provide the highest standard of treatment to his young patients. At Apollo Multispeciality Hospitals in Kolkata, Dr. Bhattacharya is known for his compassionate approach to patient care. He believes in fostering a supportive environment where both children and their families feel comfortable and informed throughout the treatment process. His clinical focus encompasses a wide range of developmental disorders, including autism spectrum disorders, learning disabilities, and attention deficit hyperactivity disorder (ADHD). Dr. Bhattacharya employs a holistic approach, integrating evidence-based practices with personalized care plans tailored to each child's unique needs. His dedication to collaboration with parents and caregivers is a cornerstone of his practice, ensuring that families are active participants in their child's developmental journey. Dr. Bhattacharya's association with Apollo Multispeciality Hospitals underscores his commitment to providing comprehensive and multidisciplinary

care. The hospital's state-of-the-art facilities and collaborative environment enable him to work alongside other specialists, ensuring that every aspect of a child's health is addressed. His reputation for excellence in developmental paediatrics, combined with his warm demeanor and unwavering dedication to his patients, makes Dr. Anjan Bhattacharya a trusted choice for families seeking expert care in Kolkata.
