Overview

Dr. Indradip Maity is a highly esteemed nephrologist based in Kolkata, bringing over a decade of dedicated experience in the field of kidney health. With a robust educational background that includes an MBBS, a gold medal in MD (Internal Medicine), and a DM in Nephrology from the prestigious All India Institute of Medical Sciences (AIIMS), New Delhi, Dr. Maity has established himself as a leading expert in nephrology. His commitment to excellence in patient care is evident not only in his academic achievements but also in his clinical practice, where he focuses on a comprehensive approach to diagnosing and treating a wide range of kidney-related conditions. At Apollo Multispeciality Hospitals in Kolkata, Dr. Maity is known for his compassionate and patient-centered approach. He believes in fostering a collaborative environment where patients feel empowered to participate in their treatment plans. His areas of clinical focus include chronic kidney disease, hypertension, and renal replacement therapy, among others. Dr. Maity is dedicated to staying at the forefront of medical advancements, ensuring that his patients receive the most effective and up-to-date treatments available. His warm demeanor and attentive listening skills help build trust and rapport with his patients, making their healthcare journey as comfortable as possible. Dr. Maity's association with Apollo Multispeciality Hospitals underscores his commitment to providing high-quality healthcare. The hospital's state-of-the-art facilities and multidisciplinary approach complement his

expertise, allowing for comprehensive care that addresses not only the medical but also the emotional needs of patients. As a valued member of the Apollo team, Dr. Indradip Maity continues to make significant contributions to the field of nephrology, helping countless individuals achieve better health outcomes and improved quality of life.
