Overview

Dr. Kuckian Divya Jaya is a highly experienced Critical Care Specialist at Apollo Hospitals, Navi Mumbai, with over 15 years of clinical expertise in intensive and high-dependency care. She holds an MD in Internal Medicine and has completed specialized training in critical care through IDCCM (Indian Diploma in Critical Care Medicine) and FCCM (Fellowship in Critical Care Medicine), equipping her to manage complex, life-threatening conditions with precision and compassion.

Dr. Jaya is adept at handling multi-organ failure, sepsis, post-operative critical care, and ventilator management. Her clinical approach emphasizes rapid, evidence-based interventions and multidisciplinary coordination to ensure the best possible outcomes for critically ill patients.

Known for her calm leadership in high-pressure environments, Dr. Jaya is deeply committed to patient-centered care, always striving to maintain clear communication with families and involve them in care decisions. She is fluent in English, Hindi, and Marathi, enabling her to support a broad patient base effectively.

In addition to her clinical practice, Dr. Jaya is actively engaged in critical care education and quality improvement initiatives. Her dedication to continuous learning and medical excellence has made her a respected figure in the field of intensive care medicine.
