Overview

Dr. Bikash Sahu is a highly experienced Cardiac Anesthesiologist at Apollo Hospitals, Pune, with over 20 years of expertise in providing anesthesia care for complex cardiac procedures. He holds an MBBS, MD, DNB, MNAMS, PDCC, FIACTA, DM (AIIMS) in Cardiac Anesthesia, FIECMO, and AMPH (ISB), reflecting his extensive training and specialization in cardiac anesthesia and perioperative care. His clinical focus includes anesthesia management for heart surgeries, minimally invasive cardiac procedures, and advanced cardiac critical care.

Fluent in English, Hindi, and Marathi, Dr. Sahu emphasizes effective communication with patients and their families, ensuring they understand perioperative procedures, anesthesia protocols, and recovery expectations. His patient-centered approach prioritizes safety, comfort, and optimal outcomes throughout the surgical journey.

At Apollo, Dr. Sahu combines advanced anesthesia techniques with cutting-edge technology to deliver safe and precise cardiac care. Known for his expertise, dedication, and collaborative approach, he works closely with cardiologists, cardiac surgeons, and intensive care teams to ensure comprehensive perioperative management. Dr. Bikash Sahu is recognized as a leading cardiac anesthesiologist in Pune, specializing in complex heart surgeries and perioperative cardiac care.
