## Overview

Dr. Dawar Masud Rizavi is a highly respected Pulmonologist practicing at Apollo Hospitals, Lucknow, with over 25 years of experience in the field of respiratory medicine. Throughout his distinguished career, he has consistently demonstrated a deep commitment to providing comprehensive and compassionate care to his patients.

Fluent in English, Hindi, and Urdu, Dr. Rizavi ensures clear and empathetic communication with a diverse patient population, fostering comfort and trust during consultations. His multilingual proficiency enables him to effectively understand and address the specific concerns of individuals from varied linguistic backgrounds.

Dr. Rizavi's expertise covers a broad spectrum of pulmonary conditions, including asthma, COPD, interstitial lung diseases, sleep apnea, and respiratory infections. With a strong focus on accuracy in diagnosis and personalized treatment plans, he is dedicated to achieving the best possible outcomes for his patients.

Known for his patient-centric approach, Dr. Dawar Masud Rizavi prioritizes listening to each patient's unique health story and tailoring care accordingly. He believes in empowering his patients by educating them about their conditions, promoting awareness, and encouraging proactive health management.

In addition to his clinical excellence, Dr. Rizavi remains actively engaged with the latest advancements in pulmonology. He frequently collaborates with fellow healthcare professionals to deliver holistic and multidisciplinary care. His unwavering dedication to medical excellence and continuous learning ensures that his patients benefit from the most up-to-date and effective treatments available.
