## Overview

Dr Chandrasekar K is a seasoned Neurosurgeon with 27 years of experience at Apollo Cancer Institutes, Chennai. Holding MBBS and MCh degrees, he is skilled in performing complex brain and spine surgeries that require cutting-edge precision. He consults patients Monday through Saturday from 09:00 to 13:00, providing comprehensive care for neurological disorders, tumor resections, and trauma management. He communicates fluently in English and Tamil, explaining complex neurological conditions and treatment options with empathy. Neurosurgery is a highly specialized field focusing on surgical interventions to restore neurological function, alleviate pain, and improve patient quality of life. Dr Chandrasekar employs the latest minimally invasive and microsurgical techniques, emphasizing patient safety and multidisciplinary collaboration. His commitment to ongoing training and research reinforces his position as a leading neurosurgery expert dedicated to advancing neurological care.
