Overview

Dr Manoj Agarwal is an experienced Urologist at Apollo Hospitals Noida, with 9 years of clinical practice specializing in genito-urinary surgeries. Holding MBBS, MS in General Surgery, and DNB in Genito-Urinary Surgery, he provides expert diagnosis and treatment of urinary tract issues, prostate diseases, and male infertility. Consulting Monday to Saturday, he performs minimally invasive procedures including endoscopic and laparoscopic surgeries. Dr Agarwal is fluent in English and Hindi, ensuring clear communication. Urology involves managing acute and chronic urinary disorders with surgical and medical therapies, aiming to restore function and improve patient comfort. His detailed approach and continuous learning enhance surgical precision and patient outcomes.
