## Overview

Dr. Asha Reddy is a skilled Breast Surgery Specialist at Apollo Hospitals, Greams Road, Chennai, with over 7 years of dedicated experience in the field. She holds prestigious qualifications including MBBS, MS (General Surgery), Masters in Oncoplastic Breast Surgery (UK), Fellowship in Breast Oncology (Tata Memorial Hospital, Mumbai), Fellow of the European Board of Surgery (FEBS), and Fellow of the American College of Surgeons (FACS). Her clinical expertise spans the comprehensive management of breast health, including onco-plastic breast surgery, breast conservation techniques, breast reconstruction, benign and malignant breast diseases, and preventive oncology. Dr. Reddy combines advanced surgical techniques with a patient-centered approach, ensuring treatments that prioritize both medical outcomes and quality of life. At Apollo Hospitals, she offers cutting-edge breast surgical care supported by multidisciplinary collaboration and state-of-the-art technology. Fluent in English, Hindi, Telugu, and Tamil, Dr. Reddy is able to connect with patients across diverse backgrounds, fostering trust and confidence throughout their treatment journey. With her strong academic background, international training, and compassionate approach, Dr. Asha Reddy is committed to advancing breast health and delivering the highest standards of care to her patients.
