Overview

Dr Soma Bhattacharya is a skilled Transfusion Medicine Specialist at Apollo Hospitals, Pune, with over 11 years of experience in providing safe and effective blood transfusion and related services. She holds an MBBS, an MBA in Healthcare Services, and has completed NABH Certification in Programme Implementation, reflecting her clinical expertise as well as her commitment to healthcare quality and safety. Her practice focuses on blood banking, transfusion protocols, and ensuring the highest standards of patient care in transfusion medicine.

Fluent in English, Hindi, and Marathi, Dr. Bhattacharya emphasizes clear communication with patients and healthcare teams, ensuring that blood transfusion procedures are safe, well-understood, and patient-centered. Her approach combines technical proficiency with empathy, helping patients and families feel informed and confident throughout the process.

At Apollo, Dr. Bhattacharya leverages modern transfusion techniques, rigorous safety protocols, and evidence-based practices to deliver precise and reliable care. Known for her dedication, meticulousness, and collaborative approach, she works closely with multidisciplinary teams to optimize patient outcomes. Dr. Soma Bhattacharya is recognized as a trusted specialist in transfusion medicine in Pune, committed to maintaining the highest standards of patient safety and care.
