Overview

Dr. Ketan Vartak is a distinguished Urologist at Apollo Hospitals, Pune, with over 28 years of experience in the diagnosis and management of a wide range of urological conditions. He holds an MBBS, MS, MCh in Urology, and DNB in Urology, reflecting his extensive training, advanced surgical expertise, and dedication to providing exceptional patient care. His clinical practice spans complex urological surgeries, minimally invasive procedures, management of urinary tract disorders, kidney stones, prostate diseases, and urological cancers, enabling comprehensive care for patients of all ages.

Fluent in English, Hindi, and Marathi, Dr. Vartak emphasizes effective communication with patients and their families, ensuring they understand their diagnosis, treatment options, and long-term management plans. He is known for his patient-centric approach, combining technical precision with empathy to build trust, educate patients, and empower them to actively participate in their healthcare decisions. His focus on individualized treatment plans ensures that each patient receives care tailored to their specific needs and overall well-being.

At Apollo, Dr. Vartak leverages state-of-the-art diagnostic tools, advanced surgical techniques, and evidence-based protocols to deliver optimal urological outcomes. He collaborates closely with

multidisciplinary teams, including oncologists, nephrologists, and radiologists, to provide holistic care for complex cases. Dr. Ketan Vartak is recognized as a trusted and highly respected urologist in Pune, committed to advancing urological care, improving patient outcomes, and maintaining the highest standards of medical excellence.
