Overview

Dr. Vishal Soni is a highly accomplished Robotic Gastro-Intestinal, Hernia (AWR), and Obesity Surgeon currently practicing at Apollo Hospitals International Limited, Ahmedabad. He is a Fellow of the American College of Surgeons (FACS), a prestigious recognition he received in 2021. Dr. Soni is proficient in English, Marathi, Hindi, and Gujarati, enabling him to communicate effectively with a diverse patient population.

With advanced training in minimally invasive and robotic surgery, Dr. Soni has completed multiple fellowships, including the Fellowship in Advanced Laparoscopic Surgery (FALS) with specialization in Robotics, Bariatric, and Hernia Surgery from the Indian Association of Gastro-Intestinal EndoSurgeons (IAGES) in 2022. He also holds the Fellowship of the Indian Association of Gastro-Intestinal EndoSurgeons (FIAGES), further emphasizing his expertise in gastrointestinal surgical care. Additionally, Dr. Soni has earned the Fellowship and Diploma in Minimal Access Surgery (F.MAS & D.MAS) from the World Laparoscopy Hospital, Delhi, showcasing his dedication to mastering minimally invasive surgical techniques.

Renowned for his patient-centered approach and commitment to surgical excellence, Dr. Vishal Soni continues to contribute to advancements in robotic and laparoscopic surgery, offering world-class care in

complex gastrointestinal, hernia, and obesity cases.
