Overview

Dr. Srinivasan Ramachandran is an accomplished Surgical Gastroenterologist specializing in Hepato-Pancreato-Biliary (HPB) Surgery and Robotic Surgery, with over 15 years of clinical experience. He is highly regarded for his expertise in advanced gastrointestinal procedures, complex liver, pancreas, and biliary surgeries, as well as minimally invasive and robotic surgical techniques.

Dr. Ramachandran holds an impressive academic background, including MBBS, DNB (General Surgery), M.Ch (Gastrointestinal Surgery), MCSEd, and FMAS. His extensive training and commitment to continuous learning have positioned him as a trusted specialist in managing challenging GI conditions and delivering high-quality surgical care.

Known for his patient-centric approach, Dr. Srinivasan combines clinical precision with compassionate care, ensuring that each patient receives personalized and comprehensive treatment. He is fluent in Tamil, English, and Hindi, allowing him to communicate effectively with a wide range of patients.
