Overview

Dr. Arun Arali is a highly experienced specialist in Anesthesiology, Anesthesia, and Critical Care, with over 18 years of dedicated clinical practice. Holding qualifications of MBBS and MD, he brings extensive expertise in delivering safe and effective anesthesia management, along with proficient care for critically ill patients in high-pressure medical settings. Dr. Arali is recognized for his thorough clinical judgment, patient-centered approach, and commitment to ensuring comfort, safety, and optimal outcomes during surgical and emergency procedures. Fluent in English and Hindi, he communicates clearly and compassionately with patients and their families. Dr. Arali is available for consultations from Monday to Saturday, between 9:00 AM and 5:00 PM.
