Overview

Dr. Priya Sharma is a skilled specialist in Pulmonology, Sleep Medicine, and Transplant Pulmonology, with over 9 years of dedicated clinical experience. She has completed advanced training with a DM in Pulmonary, Critical Care and Sleep Medicine, along with additional qualifications including DNB, EDARM, MNAMS, and PGDHM, reflecting her strong academic background and multidisciplinary expertise. Dr. Sharma's practice spans the diagnosis and treatment of complex respiratory diseases, sleep-related breathing disorders, and the comprehensive management of critically ill pulmonary patients. She is also trained in transplant pulmonology, contributing to pre- and post-transplant evaluation and care. Known for her evidence-based approach, compassionate patient interaction, and commitment to high-quality respiratory care, Dr. Priya Sharma is dedicated to improving patient outcomes through precise clinical assessment and advanced therapeutic strategies.
