Overview

Dr. Prashant Chandra Das is an accomplished specialist in Surgical Oncology, bringing over 15 years of extensive clinical and operative experience to the field of cancer care. He has a strong academic foundation, having completed his MBBS from MKCG Medical College, followed by an MS in General Surgery from BHU Varanasi, and advanced superspecialty training with an MCh in Surgical Oncology from the prestigious Kidwai Memorial Institute of Oncology, Bangalore.

Dr. Das has further strengthened his surgical expertise through a Fellowship in Minimal Access Surgery (FMAS), specialized training in Robotic and Laparoscopic Cancer Surgery, and completion of the ESSO Course on Minimally Invasive Esophagectomy & Gastrectomy at UMC Utrecht, Netherlands, underscoring his commitment to adopting advanced, minimally invasive cancer treatment techniques.
