Overview

Dr. Pritish Chandra Patra is a highly skilled Medical Oncologist and Clinical Haematologist with over 12 years of comprehensive clinical experience in the diagnosis and treatment of cancers and complex blood disorders. He has a robust academic foundation, having completed his MBBS, followed by an MD in General Medicine, and advanced superspecialty training with a DM in Clinical Hematology. Further enhancing his expertise, he holds a PDCC in Hemato-Oncology and has completed a Fellowship in Bone Marrow Transplant (BMT), underscoring his proficiency in managing both malignant and non-malignant hematological conditions.

Dr. Patra specializes in providing personalized, evidence-based medical oncology and hematology care, including chemotherapy, targeted therapy, immunotherapy, and comprehensive hematological evaluations. His clinical practice emphasizes precise diagnosis, multidisciplinary treatment planning, and compassionate patient communication, ensuring that each patient receives holistic and advanced care.
