Overview

Dr. Chitresh Mehta is an experienced Orthopedic specialist with over 7 years of clinical expertise in managing a wide range of bone, joint, and trauma conditions. He has completed his MBBS and MS (Orthopedics), followed by advanced international fellowships that have strengthened his proficiency in complex orthopedic care.

He has trained extensively across renowned centers in Belgium, France, and Switzerland, earning fellowships in Hip Surgery, Joint Replacement, and Complex Trauma. His global exposure enables him to deliver modern, evidence-based orthopedic treatment with a patient-centric approach.

Dr. Mehta is dedicated to providing comprehensive care for patients requiring hip surgeries, joint replacements, and advanced trauma management.
