Overview

Dr. Reshma Puranik is a dedicated Medical Oncologist at Apollo Hospitals, Pune, with 17 years of experience in diagnosing and treating a broad spectrum of cancers. She holds an MBBS, DNB in General Medicine, and DM in Oncology, reflecting strong clinical training in comprehensive cancer care. Dr. Puranik manages solid tumors and hematologic malignancies and provides evidence based treatments including chemotherapy, immunotherapy, targeted therapy, and supportive care tailored to individual clinical needs. She is known for her thorough assessments, clear explanations, and compassionate approach, helping patients and their families understand the diagnosis, treatment choices, and expected outcomes. Her patient centred philosophy emphasises personalised treatment planning, symptom control, and improving overall quality of life throughout the cancer journey. Dr. Puranik values open communication and emotional support, ensuring that each patient feels heard, comforted, and informed at every stage of care. Fluent in Hindi and English, she communicates effectively with patients from diverse backgrounds and creates a reassuring environment during consultations. With her extensive experience and commitment to ethical, evidence based oncology practice, Dr. Reshma Puranik strives to deliver safe, holistic, and high quality cancer care that supports better outcomes and long term well being.
