Overview

Dr. Kshama Kulkarni is a highly experienced Paediatric Surgeon at Apollo Hospitals, Pune, with 24 years of dedicated expertise in managing surgical conditions affecting newborns, infants, children, and adolescents. She holds an MBBS, MS in General Surgery, DNB in General Surgery, MRCS UK, and MCh in Pediatric Surgery, reflecting extensive national and international training in advanced pediatric surgical care. Dr. Kulkarni treats a wide spectrum of conditions, including congenital anomalies, neonatal surgical emergencies, gastrointestinal and thoracic disorders, urological problems, and minimally invasive pediatric procedures. She is known for her meticulous clinical approach, clear treatment planning, and commitment to ensuring safe and timely intervention tailored to each child's needs. Dr. Kulkarni focuses on reducing surgical stress, supporting faster recovery, and involving parents at every step to help them understand their child's condition and treatment journey. Her patient-centred philosophy emphasises compassion, clear communication, and long-term well-being, creating a reassuring environment for families facing complex medical decisions. Fluent in Hindi and English, she communicates effectively with parents from diverse backgrounds and prioritises trust and comfort during consultations. With her extensive experience, strong academic foundation, and dedication to ethical, evidence-based care, Dr. Kshama Kulkarni strives to provide high-quality pediatric surgical treatment that supports healthier outcomes for children at every

stage of growth.
