Overview

Dr. Kunal Bansal is a skilled Orthopaedic Surgeon at Apollo Hospitals, Pune, with 16 years of experience in treating a wide range of bone, joint, and musculoskeletal conditions. He holds an MBBS, MS in Orthopaedics, DNB in Orthopedics, and MNAMS Orthopaedics, reflecting strong clinical training and a comprehensive understanding of orthopedic care. Dr. Bansal manages fractures, joint disorders, sports injuries, spine related issues, degenerative conditions, and trauma cases, and is experienced in both surgical and non surgical treatment approaches. His clinical practice focuses on accurate diagnosis, personalised treatment planning, and evidence based interventions aimed at restoring mobility, reducing pain, and improving long term function. Known for his calm and transparent communication style, Dr. Bansal takes time to explain conditions, treatment options, and rehabilitation needs, helping patients feel involved and confident in their care decisions. He follows a patient centred philosophy that prioritises safety, functional recovery, and long term well being, ensuring each individual receives care tailored to their lifestyle and medical needs. Fluent in Hindi and English, he connects effectively with patients from diverse backgrounds and provides guidance in a clear and supportive manner. With his extensive training and commitment to ethical, high quality orthopedic care, Dr. Kunal Bansal strives to help patients regain movement, overcome injury, and return to daily activities with improved confidence and comfort.
