Overview

Dr. Sachin Lakade is a skilled Cardiologist at Apollo Hospitals, Pune, with 20 years of experience in evaluating and treating a wide spectrum of heart conditions. He holds an MBBS, MD in General Medicine, and DNB in Cardiology, reflecting rigorous training in both internal medicine and advanced cardiac care. Dr. Lakade manages hypertension, coronary artery disease, heart failure, arrhythmias, valvular disorders, and preventive cardiology, offering evidence based treatment strategies tailored to each patients clinical needs. He is known for his careful assessments, clarity in explaining diagnoses, and his commitment to promoting long term heart health through lifestyle guidance and personalised treatment planning. Dr. Lakade follows a patient centred approach that prioritises safety, informed decision making, and continuity of care, ensuring that individuals feel supported throughout their cardiac journey. His communication style is calm, direct, and reassuring, helping patients and their families understand complex cardiac conditions in simple and relatable terms. Fluent in Hindi and English, he connects well with patients from diverse backgrounds and strives to create a comfortable, trusting environment during consultations. With two decades of dedicated cardiology practice, Dr. Sachin Lakade remains committed to delivering ethical, high quality, and comprehensive cardiac care that supports better outcomes and improved well being.
