## Overview

Dr. Manoj Durairaj is a highly respected Cardio Thoracic and Vascular Surgeon at Apollo Hospitals, Pune, with 30 years of extensive experience in managing complex heart, lung, and vascular conditions. He holds an MBBS, MS in General Surgery, and MCh in Cardio Thoracic and Vascular Surgery, reflecting rigorous training and deep expertise in advanced cardiothoracic procedures. Dr. Durairaj provides comprehensive surgical care for coronary artery disease, valve disorders, thoracic conditions, aortic diseases, and congenital heart problems, along with performing a wide range of minimally invasive and open heart surgeries. Known for his meticulous surgical approach and commitment to precision, he focuses on tailoring treatment plans to each patient's condition to ensure safety, effective outcomes, and long-term cardiac health. His patient-friendly communication style helps individuals and families understand their diagnosis, surgical options, and recovery expectations with clarity and reassurance. Dr. Durairaj follows a patient-centred philosophy that prioritises ethical care, informed decision making, and compassionate guidance throughout the treatment journey. Fluent in Hindi and English, he connects well with patients from varied backgrounds and ensures they feel supported at every stage. With three decades of experience and a dedication to high-quality cardiovascular care, Dr. Manoj Durairaj strives to deliver safe, evidence-based, and holistic treatment for patients with complex cardiothoracic and vascular conditions.
