## Overview

Dr. Ashwin Rajbhoj is a dedicated Medical Oncologist at Apollo Hospitals, Pune, with 10 years of experience in the diagnosis and treatment of a wide range of cancers. He holds an MBBS, MD in General Medicine, and DNB in Medical Oncology, reflecting comprehensive training in systemic cancer care. Dr. Rajbhoj manages solid tumors and hematological cancers, providing evidence based treatments such as chemotherapy, immunotherapy, targeted therapy, and supportive care tailored to each patients clinical needs. He is known for his detailed assessments, clear communication, and compassionate approach, helping patients and their families understand the nature of the disease, available treatment options, and expected outcomes. His patient centric philosophy focuses on personalised treatment planning, symptom management, and improving quality of life throughout the cancer journey. Dr. Rajbhoj works closely with a multidisciplinary team to ensure coordinated and holistic care at every stage, from diagnosis to long term follow up. Fluent in Hindi and English, he is able to explain complex medical information in a simple and reassuring manner, creating a supportive environment for patients during challenging times. With his strong clinical foundation and commitment to ethical, empathetic care, Dr. Ashwin Rajbhoj strives to deliver high quality oncology treatment backed by current medical advances and patient focused values.
