## Overview

## Research and Publication

Dr. Qaedjohar Dhariwala is an experienced Orthopaedic Specialist at Apollo Hospitals, Pune, with 17 years of clinical expertise in treating a wide range of bone, joint, and musculoskeletal conditions. He completed his MS in Orthopaedics from the University of Mumbai and has developed strong proficiency in managing fractures, joint pains, arthritis, sports injuries, spine related issues, and trauma cases. Dr. Dhariwala is skilled in both surgical and non surgical treatment approaches, focusing on accurate diagnosis and evidence based care to help patients regain mobility, reduce pain, and improve long term function. Known for his calm and approachable communication style, he takes the time to explain the condition, available treatment options, and rehabilitation needs in simple, reassuring language, ensuring patients feel informed and confident in their decisions. His patient centred philosophy emphasises personalised treatment planning, functional recovery, and long term well being, with a strong focus on preventing complications and promoting healthier movement. Fluent in Hindi and English, Dr. Dhariwala connects effectively with patients from diverse backgrounds and strives to create a supportive and

comfortable environment throughout their care journey. With his extensive experience and commitment to ethical, high quality orthopaedic care, Dr. Qaedjohar Dhariwala is dedicated to helping patients return to their daily activities with improved strength, comfort, and confidence.
