## Overview

Dr. Vishesh Dikshit is a senior Pediatric Surgeon at Apollo Hospitals, Pune, with 21 years of extensive experience in managing surgical conditions in newborns, infants, children, and adolescents. He holds an MBBS, MS in General Surgery, DNB in Pediatric Surgery, and MCh in Pediatric Surgery, reflecting advanced training in both general and specialised pediatric surgical care. Dr. Dikshit treats a wide range of conditions, including congenital anomalies, neonatal surgical emergencies, gastrointestinal and thoracic disorders, pediatric urological problems, and trauma related issues, and he is skilled in performing minimally invasive pediatric procedures when appropriate. He is known for his detailed evaluations, thoughtful treatment planning, and ability to provide clear, reassuring guidance to parents during complex medical decisions. His patient centred approach focuses on safety, early intervention, and promoting faster recovery while ensuring long term well being for children. Dr. Dikshit emphasises compassionate communication, helping families understand their child's condition, treatment options, and expected outcomes in simple and supportive terms. Fluent in Hindi and English, he connects effectively with families from diverse backgrounds and creates a comfortable environment throughout the care journey. With more than two decades of specialised pediatric surgical experience and a strong commitment to ethical, evidence based practice, Dr. Vishesh Dikshit strives to deliver high quality care that supports healthier, confident growth for children at every stage.
