Overview

Dr. Amvrin Chatterjee is a highly accomplished Urologist with over 16 years of experience in the field of urology and surgical care. He holds MBBS, MS (General Surgery), DNB (General Surgery), and M.Ch in Urology, reflecting his extensive academic foundation and rigorous training in managing complex urological conditions. His expertise spans advanced endourology, uro-oncology, reconstructive urology, male infertility, kidney stone management, prostate disorders, and minimally invasive urological procedures.

Fluent in English, Hindi, and Bangla, Dr. Chatterjee is widely appreciated for his patient-centric approach and his ability to communicate effectively with individuals from diverse backgrounds. He places strong emphasis on understanding each patient's specific needs, medical history, and treatment goals, enabling him to offer personalized, evidence-based care. His compassionate manner and detailed explanations empower patients to make informed decisions regarding their health.

Committed to staying at the forefront of advancements in urology, Dr. Chatterjee incorporates modern surgical techniques and collaborates with multidisciplinary teams to ensure holistic and comprehensive treatment outcomes. His dedication to clinical excellence, precision in diagnosis, and focus on long-term patient well-being have earned him a reputation as a trusted and respected name in urological healthcare.
