Overview

Dr. Ajeya Joshi is a highly experienced Cardiothoracic Surgeon and Heart Transplant Surgeon with over 14 years of clinical expertise. He holds an MBBS, MS in General Surgery, and MCh in Cardiothoracic and Vascular Surgery (CTVS), and is currently practicing at Apollo Hospitals, Financial District, Hyderabad. Dr. Joshi specializes in minimally invasive and robotic heart surgery, total arterial CABG, and the surgical management of heart failure, including heart transplantation and mechanical circulatory support. He has completed advanced fellowships in Heart and Lung Transplantation from Wythenshawe Hospital, Manchester, UK, and has trained at leading institutions such as G B Pant Hospital, New Delhi, and B J Medical College, Ahmedabad. A Fellow of the Indian Academy of Cardiothoracic Surgeons (FIACS) and a life member of professional cardiothoracic societies, Dr. Joshi has held senior consultant roles across reputed hospitals in Hyderabad. He is also an active academic contributor with multiple national and international publications and conference presentations in complex congenital and adult cardiac surgeries.
