## Overview

Dr. Pathuri Avinash is a skilled Interventional Cardiologist with over 6 years of experience in managing complex cardiac conditions. He holds MBBS, MD (Internal Medicine), and DM in Cardiology, having completed his super-specialty training at IPGMER & SSKM, Kolkata. Currently practicing at Apollo Hospitals, Financial District, Hyderabad, Dr. Avinash specializes in advanced coronary interventions, including CTO and CHIP procedures, rotablation, coronary imaging (IVUS/OCT/FFR), and ICD and pacemaker implantations, along with structural heart disease interventions. He has extensive hands-on experience with a high volume of angiographies and PCIs, including complex lesions such as LMCA, bifurcations, and STEMI cases, and has assisted in TAVI and EVAR procedures. Dr. Avinash has served as a consultant across leading hospitals in Hyderabad, Vijayawada, and Rajahmundry, and also brings academic and teaching experience from institutions like KMC Manipal and Apollo Institute of Medical Sciences. He is actively involved in clinical research with multiple publications and conference presentations to his credit.
