## Overview

Dr. Madhava Rao Nekkanti S K is an Orthopaedic Surgeon with 10 years of experience, specializing in Orthopaedics with super-specialty training in Joint Replacements and Arthroscopy & Sports Medicine. He holds registered qualifications of MBBS and MS Orthopaedics and is proficient in Telugu, Hindi, Kannada, and English. His clinical interests include total hip and knee arthroplasty (primary and revision), shoulder and knee arthroscopy, ligament reconstruction and sports injuries, complex fracture management and trauma surgery, joint preservation and cartilage restoration techniques, and minimally invasive surgical procedures.

He completed his MBBS, followed by rotatory internship training, and earned his MS in Orthopaedics. He further pursued advanced training through a Fellowship in Arthroplasty and a Fellowship in Arthroscopy. Professionally, he has served as Registrar at a tertiary care hospital, worked as Orthopaedic Consultant at a multispecialty hospital, and is currently practicing as an Orthopaedic Consultant at a leading hospital. His academic contributions include multiple research presentations and publications, including a gold medal paper at a national orthopaedic conference, with continued scholarly involvement through recent publications and active association with professional orthopaedic bodies.
