Overview

Dr. P. Banu Teja Reddy is a highly skilled Urologist, Andrologist, Renal Transplant, and Robotic Surgeon with over 9 years of clinical experience in the diagnosis and management of complex urological disorders. He holds an MBBS, MS, MCh in Urology, and DrNB in Urology, reflecting robust academic training and advanced surgical expertise. Dr. Reddy is currently serving as a Senior Consultant Urologist, Andrologist, Renal Transplant, and Robotic Surgeon at Continental Hospitals, Financial District, Hyderabad. He has previously worked as a Consultant Urologist and Andrologist at leading institutions including Citizens Specialty Hospital and Zoi Hospitals, and has undergone extensive training as a Urology Registrar at Narayana Medical College and Hospital. His early surgical foundation was built during his tenure as Senior Resident in General Surgery at Gandhi Hospital, Secunderabad. His clinical practice focuses on andrology, kidney transplantation, and robotic urological surgery, with a strong emphasis on evidence-based care, precise diagnosis, and individualized treatment planning. Dr. Reddy is known for combining advanced surgical techniques with compassionate patient-centered care. With published research in reputed journals and regular academic participation at national and international conferences, Dr. Reddy remains dedicated to advancing the field of urology through clinical excellence and scholarly work.
