## Overview

Dr. B. Harsha Vardhana Reddy is an Orthopaedic Surgeon with 10 years of experience, specializing in Orthopaedics with advanced expertise in Robotic Knee Replacement Surgery, Sports Medicine, Arthroscopy of the Shoulder and Knee, and Joint Reconstruction and Trauma. He holds registered qualifications of MBBS, D.Ortho, DNB (Orthopaedics), and an MBA in Hospital Administration. He is fluent in English, Telugu, Hindi, Kannada, and Marathi.

His clinical interests include robotic and computer-assisted joint replacement, sports injury prevention and performance enhancement, arthroscopic shoulder and knee surgery, ligament reconstruction, and early rehabilitation with return-to-sport protocols. He has completed fellowship training in Arthroplasty and Arthroscopy and has received specialized training in robotic and advanced knee replacement systems, along with AO trauma and fracture management programs and advanced CME programs in sports medicine and joint reconstruction.

Dr. Reddy has served as an Orthopaedic Surgeon and Consultant at several reputed hospitals and is currently working as an Associate Consultant in Orthopaedics at a tertiary care center. He is actively involved in academics and research, with multiple paper presentations and publications at national orthopaedic conferences. He is a member of the Indian Orthopaedic Association, Telangana Orthopaedic Surgeons Association, and the Society of Knee Surgeons of India.
