Overview

Dr. Tripuraneni Venkata Aditya Chowdary is a highly experienced Gastroenterologist and Hepatologist specializing in Surgical Gastroenterology, with over 14 years of expertise in managing complex gastrointestinal, liver, pancreas, and colorectal conditions. He holds an MBBS, MS in General Surgery, and MCh in Surgical Gastroenterology, reflecting comprehensive academic training and advanced surgical proficiency. Dr. Chowdary has been extensively trained at leading institutions and has significant experience in minimally invasive GI surgery, hepatopancreatobiliary surgery, GI oncology, colorectal surgery, and liver transplantation. He currently serves as Senior Consultant Surgical Gastroenterology at Star Hospitals, Nanakramguda, Hyderabad, where he manages a wide spectrum of gastrointestinal, hepatobiliary, and pancreatic conditions. He has previously held key positions at Gleneagles Global Hospital and Continental Hospitals, Hyderabad, building a strong foundation in surgical gastroenterology and liver transplant procedures. Dr. Chowdary's academic excellence is demonstrated through multiple awards, including educational and international travel grants, best poster awards, and university gold medals during his MBBS, MS, and MCh training. He has also completed specialized fellowships in advanced gastroendoscopic surgery, advanced laparoscopy – HPB surgery, and hernia surgery (Cemast certification), further strengthening his surgical and clinical expertise.
