Overview

Dr. Amudha Hari is a highly esteemed Obstetrician and Gynaecologist with an impressive 30 years of experience in the field. Based in Chennai, she has dedicated her career to providing exceptional care to women at all stages of life. Dr. Amudha holds an MBBS, a Diploma in Gynaecology and Obstetrics (DGO), and a PhD, showcasing her commitment to both education and the advancement of women's health. Her extensive training and expertise enable her to address a wide range of health concerns, from routine gynecological exams to complex obstetric cases, ensuring that her patients receive comprehensive and personalized care. At Apollo Cradle & Children's Hospital in Karapakkam, Dr. Amudha is known for her compassionate approach and dedication to patient well-being. She believes in fostering a supportive environment where women feel empowered to discuss their health concerns openly. Her clinical focus includes prenatal care, high-risk pregnancies, reproductive health, and menopause management, among others. Dr. Amudha is passionate about educating her patients, helping them make informed decisions about their health and wellness. Her warm demeanor and attentive listening skills create a trusting relationship with her patients, making them feel valued and understood. Dr. Amudha's association with Apollo Cradle & Children's Hospital reflects her commitment to excellence in healthcare. The hospital's state-of-the-art facilities and emphasis on patient-centered care align perfectly with her professional

values. As a part of a multidisciplinary team, she collaborates with other healthcare professionals to ensure that every patient receives holistic care tailored to their unique needs. Dr. Amudha Hari is not just a doctor; she is a partner in her patients' health journeys, dedicated to guiding them through every step with expertise and compassion.
