Overview

Dr. Anjana Annal is a highly skilled and compassionate Obstetrician and Gynaecologist with over nine years of dedicated experience in the field. Based at Apollo Cradle & Children's Hospital in Karapakkam, Chennai, she has built a reputation for her expertise in managing a wide range of women's health issues, from routine gynecological care to complex obstetric cases. Dr. Annal's educational journey is impressive, having earned her MBBS and MS in Obstetrics and Gynaecology from the prestigious JIPMER, followed by a DNB in the same specialty. She further enhanced her qualifications with an MRCOG from the UK and a Fellowship in Advanced Gynecological Laparoscopy and Reproductive Medicine, equipping her with the latest techniques and knowledge to provide the best care for her patients. Dr. Annal's clinical focus encompasses various aspects of women's health, including prenatal care, high-risk obstetrics, infertility treatments, and minimally invasive surgical procedures. Her approach to patient care is characterized by empathy, thoroughness, and a commitment to empowering women through education and support. She believes in fostering a collaborative environment where patients feel comfortable discussing their concerns and are actively involved in their treatment plans. This patient-centered philosophy not only enhances the quality of care but also builds lasting relationships based on trust and understanding. At Apollo Cradle & Children's Hospital, Dr. Anjana Annal is an integral part of a multidisciplinary team that prioritizes the

health and well-being of mothers and their children. The hospital's state-of-the-art facilities and commitment to excellence in maternal and child health align perfectly with her professional values. Dr. Annal is dedicated to providing personalized care tailored to each patient's unique needs, ensuring that every woman receives the attention and expertise she deserves. With her extensive experience and unwavering dedication, Dr. Anjana Annal is a trusted partner in women's health, committed to guiding her patients through every stage of their reproductive journey.
