Overview

Dr. Vijay Kumar Chennamchetty is a highly experienced Pulmonology Respiratory Medicine Specialist based in Hyderabad, Telangana. With 16 years of dedicated practice, he has established himself as a prominent figure in the field of respiratory health. Dr. Chennamchetty's extensive qualifications include an MD in Pulmonology, IDCC in Critical Care, FSM in Sleep Medicine, and an FCCP accreditation, showcasing his comprehensive expertise in various facets of pulmonary and sleep-related disorders. Fluent in multiple languages—English, Hindi, Telugu, and Tamil—he effectively communicates with a diverse patient base, ensuring clear understanding and comfort during consultations. Dr. Chennamchetty has made significant contributions to medical education and awareness through his active participation in organizing and chairing national and international conferences, such as ASPIRE 2016 and 2018, and Sleepcon 2015, highlighting his commitment to advancing the field of pulmonology and sleep medicine. In addition to his clinical practice, Dr. Chennamchetty has conducted various workshops and research, including thoracoscopy and bronchoscopy EBUS, and innovative sleep workshops using animal models across Andhra Pradesh and Telangana. He is also recognized for his efforts in the media, where he has passionately advocated for increased public awareness on critical health issues including Sleep Apnea, Asthma, Smoking, COPD, and pollution-related health hazards. His proactive approach not only enhances

patient care but also enriches the community's understanding of respiratory health.

With a focused expertise in pulmonology and a sincere dedication to improving patient outcomes, Dr. Vijay Kumar Chennamchetty remains at the forefront of respiratory medicine, making substantial impacts in both clinical practice and public health education.
