Overview

Dr. Diwakar Shankar is a distinguished Neuro Surgery Specialist at Apollomedics Super Specialty
Hospitals in Lucknow, bringing over 10 years of dedicated experience to his practice. He holds an MS in
General Surgery, an MCh in Neurosurgery, and a DrNB in Neuro Surgery, complemented by a Fellowship
in Spine Surgery. This extensive training equips him with advanced expertise in complex neurosurgical
procedures, including minimally invasive spine surgery, brain tumor resection, and neurotrauma
management. Dr. Shankar is deeply committed to patient-centered care, ensuring that each patient
receives personalized treatment tailored to their unique needs. His approach combines innovative
techniques with compassionate support, fostering a healing environment that prioritizes patient well-being.
He actively participates in research and academic discussions, contributing to advancements in
neurosurgery and sharing his insights at various medical conferences. Fluent in both English and Hindi,
Dr. Shankar effectively communicates with a diverse patient population, ensuring that language barriers do
not hinder the delivery of high-quality healthcare. His dedication to medical excellence and continuous
learning makes him a trusted choice for patients seeking specialized neurosurgical care.
